Product Overview

The Mach Wireless Gaming Headset for PS5 delivers exceptional virtual 7.1 surround sound with active noise cancellation for immersive gaming experiences. Featuring high-definition audio quality and wireless 2.4G connectivity, this headset provides lag-free performance for competitive gaming.

The adjustable headband and memory foam ear cushions ensure comfort during extended gaming sessions, while the built-in microphone with flip-to-mute functionality enables clear team communication.

Compatible with PS5 and PC, this headset is designed for serious gamers who demand both performance and comfort. The USB-C charging provides up to 20 hours of continuous gameplay on a single charge.
