## Product Description

### 2.4GHz Bluetooth ANC Wireless Headphones , Noise Cancelling Usb Headset With Microphone

#### Product Description:

One of the standout features of these earbuds is the active noise cancellation technology. This feature ensures that you can enjoy your music without any distractions and focus on your game or work. The earbuds also come equipped with a charging case, which is included in the package. The charging case is compact and allows you to charge your earbuds on the go, making them ideal for travel.

The earbuds have a battery life of up to 6 hours, which is perfect for a long gaming session or a day at work. The earbuds take only 1.5 hours to charge fully, ensuring that you don't have to wait long before you can use them again. The earbuds also have a range of up to 33 feet, which means you can move around freely without any interruption in the audio.

These 2.4ghz wireless earbuds are perfect for anyone who wants to enjoy their music without any wires. The earbuds are comfortable to wear and have a sleek design that looks great. They are also easy to use, with simple touch controls that allow you to play, pause, and skip tracks. The earbuds are compatible with most devices, including smartphones, tablets, and laptops.

Our 2.4ghz wireless earbuds come with a 1-year warranty, ensuring that you can buy with confidence. The earbuds are built to last and provide a high-quality audio experience. So, whether you're gaming, working, or just relaxing, these earbuds are the perfect accessory for you.

#### Features:

Product Name: 2.4ghz wireless earbuds

Charging Time: 1.5 Hours

Battery Life: Up To 6 Hours

Connectivity	Bluetooth 5.0
Battery Life	Up To 6 Hours
Color	Black
Controls	Touch
Charging Time	1.5 Hours
Compatibility	IOS/Android
Voice Assistant Support	Siri/Google Assistant

#### Applications:

One of the standout features of the Mach 2.4ghz wireless earbuds is their walkie-talkie functionality, which allows you to communicate with others in real-time without the need for a separate device. This makes them ideal for outdoor activities such as hiking, camping, and biking, as well as for use in large events where communication is key.

In addition to their walkie-talkie capabilities, the Mach 2.4ghz wireless earbuds also offer high-quality audio that is perfect for music, podcasts, and phone calls. With a charging time of just 1.5 hours and a battery life of up to 6 hours, you can enjoy uninterrupted audio for extended periods of time.

The Mach 2.4ghz wireless earbuds are also IPX7 waterproof, making them ideal for use in a variety of weather conditions and environments. Whether you are jogging in the rain or swimming in the pool, these earbuds will stay safe and secure.

Compatible with both IOS and Android devices, the Mach 2.4ghz wireless earbuds offer voice assistant support for Siri and Google Assistant, making it easy to control your audio and stay connected with your phone without having to use your hands.

This product is certified with CE and KC, ensuring that it meets the highest quality and safety standards. The minimum order quantity is negotiable and the price is also negotiable, making it accessible for a wide range of budgets. The Mach 2.4ghz wireless earbuds come in a packaging of 20pcs/carton, with 350 cartons/20ft container and 850 cartons/40HQ container. Delivery time is estimated to be 35 days and payment terms can be made via T/T, Western Union, or L/C. The supply ability is 50000pcs per month, ensuring that you can get your hands on these high-quality earbuds whenever you need them.

Overall, the Mach 2.4ghz wireless earbuds are a versatile and reliable audio device that is perfect for a wide range of occasions and scenarios. Whether you need a durable and waterproof earbud for your outdoor adventures or a stylish and high-quality audio device for your daily commute, the Mach 2.4ghz wireless earbuds are the perfect solution.

#### Customization:

Our wireless earbuds come with a charging case and touch controls, making them easy and convenient to use. They come in sleek black color, perfect for any occasion. The model is True Wireless Earbuds, and the battery life lasts up to 6 hours.

## Support and Services:

Our 2.4GHz wireless earbuds feature advanced Bluetooth technology for a seamless connection to your devices. We offer a range of technical support and services to ensure your earbuds perform at their best:

- User guides and manuals to help you set up and use your earbuds
- Troubleshooting guides to help you resolve common issues
- Firmware updates to improve performance and add new features
- Warranty coverage for eligible repairs or replacements
- Customer support through email or phone for any additional questions or concerns

## Packing and Shipping:

### Product Packaging:

The 2.4ghz wireless earbuds are packaged in a sleek black box with the product name and image displayed prominently on the front. Inside the box, the earbuds are securely placed in a foam insert to prevent any damage during transportation. Along with the earbuds, the package includes a charging case, USB charging cable, and user manual.

### Shipping:

All orders are processed within 24-48 hours of purchase and shipped via standard shipping. Customers can expect to receive their order within 7-10 business days. Expedited shipping options are also available for an additional fee. Shipping costs will vary depending on the destination and shipping method selected.
