Up To 10 Meters

**Water Resistance**

IPX4

**Driver Size**

10mm

### Product Overview

Experience wireless freedom with our 2.4GHz ANC wireless headphones featuring low latency technology for immersive sound quality. Designed for lasting comfort, these headphones deliver up to 8 hours of uninterrupted gaming or music playback with just 1-2 hours of charging time.

The included charging case and USB cable provide convenient on-the-go charging, while the 2.4GHz wireless technology ensures stable, reliable connectivity without tangled wires. Multiple ear tip sizes offer a secure, comfortable fit for all users.

### Technical Specifications

**Product Name:** 2.4GHz Wireless Gaming Earbuds

**Compatibility:** Gaming Devices

**Color:** Black

**Controls:** Touch Control

**Microphone:** Built-in

**Earbud Type:** In-ear

**Included Accessories:** Charging Case, USB Cable

### Applications

Perfect for gamers seeking a competitive edge with wireless, low-latency audio. The stable 2.4GHz connection ensures uninterrupted gameplay, while touch controls allow easy volume adjustment without interrupting your session.

Equally suited for outdoor activities like hiking or running, with a secure fit that stays in place during movement and IPX4 water resistance for protection against sweat and light rain.

### Customization & Bulk Ordering
