Earphone Cable Length	2.2 M

Superior Gaming Experience

The G432 gaming headphones deliver crystal-clear audio with their 50mm drivers and wide frequency response range. The 39 Ohms impedance ensures efficient power usage, making them ideal for extended gaming sessions without draining your device's battery. The cardioid microphone precisely captures your voice while minimizing background noise, ensuring clear communication with teammates. The 2.2 meter cable provides ample movement range, while the durable construction guarantees long-lasting performance.

Comfort & Design

The over-the-ear design with leatherette cushions provides exceptional comfort during marathon gaming sessions. The lightweight construction reduces fatigue, while the adjustable headband ensures a perfect fit for all head sizes.

Compatibility

Works seamlessly with multiple platforms including:

PC (Windows/Mac)

PlayStation 4

Xbox One

Nintendo Switch

Mobile devices (with 3.5mm jack)

Frequently Asked Questions
