THX Spatial Audio Technology

Go beyond traditional virtual surround sound. THX Spatial Audio breaks the boundaries of defined 5.1 and 7.1 channel surround to deliver seamless 360° positional audio for a more natural and lifelike experience. It simulates sound both above and beneath you for incredible gaming immersion.

Enhanced Comfort Design

The X5 PRO features an auto-adjusting headband that comfortably fits your head while its unibody aluminum frame keeps it lightweight even after hours of wear. Cooling gel ear cushions prevent overheating during long gaming sessions.

Wireless Performance

Enjoy lag-free, high-fidelity gaming audio with 2.4GHz wireless technology. The plug-and-play wireless USB transceiver provides a stable connection up to 12 meters. Convenient audio controls on the headset allow quick volume adjustment

and microphone muting.

Company Information

Headroom is a high-tech enterprise specializing in headphone development and manufacturing with 15 years of experience. Our factory focuses on OEM/ODM production with 36 private brand agents and annual growth of 76%.

Our R&D team consists of experienced professionals from Fortune 500 companies, dedicated to creating innovative audio products with unique designs.

Quality Guarantee

We provide 100% quality inspection before delivery and offer a 45-day warranty from dispatch date. All products are packed in export-standard cartons to ensure safe delivery.
