Premium Gaming Audio Experience

The X3 PRO gaming headset delivers professional-grade audio with 50mm drivers that produce crisp, clear sound across the full frequency spectrum. The THX Spatial Audio technology creates immersive 360° positional audio that goes beyond traditional 7.1 surround sound, giving you a competitive edge in games.

2.4GHz Wireless Technology

Enjoy lag-free, high-fidelity gaming audio with the reliable 2.4GHz wireless connection. The plug-and-play USB transceiver provides a stable connection up to 12 meters, with intuitive audio controls directly on the headset for quick adjustments during gameplay.

Professional Communication

The removable noise-cancelling microphone features passive noise isolation to ensure your voice comes through clearly, even in noisy environments. The flip-to-mute function allows for quick muting when needed.

All-Day Comfort

The X3 PRO is designed for extended gaming sessions with its auto-adjusting headband and cooling gel ear cushions. The lightweight aluminum frame provides durability without adding weight, while the memory foam ear cushions create a comfortable seal.

About Our Company

Headroom is a high-tech enterprise specializing in the research, development, and production of premium audio products. With 15 years of experience in the industry, we focus on delivering high-quality headphones and gaming accessories to customers worldwide.

Our factory employs 141 staff including 11 sales professionals and 4 engineers, with an annual turnover of 80 million RMB. We offer OEM/ODM services with a minimum order quantity of 3,000 units.
