Premium Gaming Audio Experience

The X5 PRO gaming headset delivers professional-grade audio with its 50mm dynamic drivers, providing crisp highs and powerful bass. The THX Spatial Audio technology creates a 360° soundscape that enhances your gaming immersion, allowing you to hear enemies approaching from all directions.

Comfortable Design

Engineered for extended gaming sessions, the X5 PRO features an auto-adjusting headband and cooling gel ear cushions that provide lightweight comfort. The unibody aluminum frame ensures durability without adding extra weight.

Advanced Wireless Technology

The 2.4GHz wireless connection provides lag-free, high-fidelity audio with a range of up to 12 meters. The plug-and-play USB transceiver ensures easy setup, while the built-in audio controls allow you to adjust volume and mute your

microphone on the fly.

Noise-Cancelling Microphone

The flip-up microphone features passive noise cancellation, ensuring your voice comes through clearly. The quick mute function lets you silence your mic instantly by simply flipping it up.

Package Contents

- X5 PRO Gaming Headset
- Wireless USB transmitter
- Detachable cable (2.2m)
- User manual

Company Information

Headroom is a high-tech enterprise specializing in the research, development, and production of premium audio products. With 15 years of experience in the industry, we focus on delivering high-quality headphones and gaming headsets to customers worldwide.

Our factory employs 141 staff members, including 4 dedicated engineers who continuously innovate our product line. We offer OEM/ODM services with a minimum order quantity of 3,000 units.

Quality Assurance

All products undergo 100% quality inspection before shipment. We offer a 45-day warranty against manufacturing defects (excluding accidental damage).
