Product Description

Professional Gaming Audio

The X6 PRO gaming headset features 50mm drivers that deliver powerful, immersive 7.1 surround sound for competitive gaming. Experience precise positional audio that gives you the edge in gameplay.

THX Spatial Audio Technology

Go beyond traditional virtual surround sound. THX Spatial Audio breaks the boundaries of defined 5.1 and 7.1 channel surround to deliver seamless 360° positional audio for a more natural and lifelike experience.

Premium Comfort

The auto-adjusting headband comfortably fits your head while the unibody aluminum frame keeps it lightweight even after hours of wear. Cooling gel ear cushions prevent overheating during extended gaming sessions.

Noise-Cancelling Microphone

The flip-to-mute microphone features passive noise cancellation, ensuring your voice comes through with crystal clarity. The 120° adjustable soft mic can be positioned for optimal voice capture.
