Experience THX Spatial Audio that goes beyond traditional virtual surround sound, breaking the boundaries of defined 5.1 and 7.1 channel surround to deliver seamless 360° positional audio for a more natural and lifelike gaming experience.

The auto-adjusting headband and cooling gel ear cushions ensure comfort even during extended gaming sessions. The unibody aluminum frame keeps the headset lightweight while maintaining durability.

Wireless Performance

The 2.4GHz wireless technology provides lag-free, high-fidelity gaming audio with a range of up to 12 meters. The plug-and-play wireless USB transceiver ensures easy setup and stable connection.

With audio controls directly on the headset, you can adjust volume and mute your microphone on the fly. The 15-hour battery life allows for uninterrupted gaming, streaming or movie watching.

Quality Assurance

100% Safe Delivery | 100% Quality Production | 100% On-Time Shipment | 100% Payment Protection

Return Policy: This product is in guaranteed working condition. If you're unhappy with your purchase, notify us within 90 days after receiving the item. All returned items must be in their original condition and packaging for a full refund.

Company Information

Headroom is a high-tech enterprise specializing in the research, development, production and sales of headphones. With 15 years of experience in audio products, we focus on delivering high-quality gaming headsets for domestic and international markets.

Our R&D team consists of experienced professionals from Fortune 500 companies, dedicated to creating innovative audio solutions. We offer OEM/ODM services with minimum order quantities and fast turnaround times.

Frequently Asked Questions

Q: Are you a factory or trading company?

A: We are a factory based in Shenzhen, China, specializing in gaming headset production.

Q: What is your warranty policy?

A: We offer a 45-day warranty from the dispatch date. Any quality issues (except for courier damage or misuse) will be addressed with replacement parts in your next order.

Q: Can you do OEM/ODM services?

A: Yes, we offer OEM services with a minimum order quantity of 3000 units. Delivery time is 7-10 working days after confirming your custom requirements.

For more information or custom orders, please contact us. Our team responds within 24 hours (Monday to Saturday, Beijing time).
