Platform Compatibility

PC

PS4

PS4 Pro

PS5

Xbox One

Nintendo Switch

Mobile Devices

Laptops

Note: Older Xbox One models may require an adapter for headphone jack compatibility.

## Premium Gaming Experience

---

### Immersive 7.1 Surround Sound

Experience precise positional audio with our 50mm drivers and dual chamber design. Locate enemy footsteps and action with pinpoint accuracy for competitive advantage.

### Crystal Clear Communication

The noise-canceling microphone filters ambient noise while maintaining voice clarity. Easily mute when needed with the flip switch control.

### All-Day Comfort

Plush memory foam ear cushions and lightweight aluminum frame reduce pressure during extended gaming sessions. The suspended headband provides optimal weight distribution.

## Easy Access Controls

---

Convenient in-line controls allow quick adjustments without interrupting gameplay:

- Volume control wheel
- Instant mute button
- RGB lighting controls

### Quality Assurance

All products undergo 100% quality inspection before shipping. We offer a 90-day return policy for items in original condition with packaging.

### About the Manufacturer

Headroom is a high-tech enterprise specializing in audio products with 15 years of industry experience. Our team includes engineers from Fortune 500 companies, ensuring professional design and quality manufacturing. We maintain a 98% response rate with customers and offer OEM/ODM services for bulk orders (minimum 3,000 units).
