105±3dB

Connection

3.5mm/USB

Waterproof Rating

IPX-3

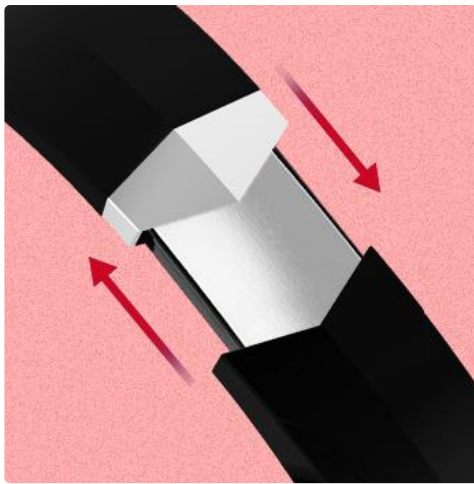

Compatibility

Windows 7/8/10, XP, Linux

Cable Length

2.2 meters

Premium Comfort Design

The adjustable headband fits different head sizes perfectly, while the lightweight material ensures comfort during extended gaming sessions. The metal frame provides durability without adding excessive weight.

Skin-friendly memory foam earmuffs provide superior comfort and passive noise isolation. The thickened ear cushions reduce hearing impairment and heat sweat, ensuring comfort even during marathon gaming sessions.

Superior Audio Performance

The 50mm high precision drivers deliver crisp, powerful sound with deep bass. The 7.1 surround sound helps you pinpoint enemy locations by accurately reproducing directional audio cues like footsteps and gunshots.

The noise-cancelling microphone effectively filters background noise, ensuring clear communication with your teammates. The 120° adjustable design allows optimal positioning for your voice.

Convenient Controls

The in-line audio control box features a volume wheel and one-key mute function, allowing quick adjustments without interrupting your gameplay. Perfect for competitive gaming across various titles.

Quality Assurance

We guarantee 100% product quality inspection before delivery. Our 90-day return policy ensures your complete satisfaction with the G9000 Max gaming headset.

100% Safe Delivery | 100% Quality Production | 100% On-Time Shipment | 100% Payment Protection
