### Product Features

#### 50MM Driver Delivers Surround Sound

Whether you're immersed in God of War or want to hear your enemies' motion in Fortnite, PUBG or CS:GO, wearing a professional gaming headset matters. With a 50mm driver, this headset offers incredible surround sound for both games and music.

#### Noise Canceling Microphone

This headset provides high-end noise cancellation to enable you to chat with your fellow players with crystal clarity. If you want to enjoy your valuable me-time without communicating with other players, you can turn off the mic by flipping the switch.

#### Ergonomic Design & Premium Material

Gamers usually play for many hours, so comfort is a key factor when choosing a headset. We have tested our headsets on hundreds of different heads - the retractable band and breathable ear pad ensure every player enjoys optimal wearing comfort.

### Superior Sound Quality

- ★ Soft skin-friendly leather ear pads and adjustable ergonomically designed headband make the headphones comfortable for long-time wearing
- ★ High quality stereo and intelligent extreme bass enhance sound clarity, bringing you amazing audio experience

### Noise Canceling & Anti-Static Microphone

The sensitive adjustable microphone uses noise canceling techniques to filter most environmental noise around you and provide real-time talking without any delay. Anti-static technology prevents static sound, allowing crystal clear communication with your team.

### Fascinating LED Light (Three Colors)

LED lights on both sides make this gaming headset look cooler.

### Premium Materials

We use premium materials to manufacture these gaming headphones, ensuring durability and longevity.

### Multiple Platform Compatibility

This gaming headset with a 3.5mm audio jack is compatible with PC, PS4 controller, Xbox One controller (note: for Xbox One controller 1537, a headset adapter will be required), Nintendo Switch (audio), Nintendo New 3DS LL/3DS (audio), and Nintendo 3DS LL/3DS (audio).
