Design Features

Adjustable Headband: The adjustable headband fits different head sizes, with light-weight material that fits completely around your ears without overheating. The metal frame is strong and durable for long gaming sessions.

Skin-friendly Earmuffs: Thickened ear cushions provide passive noise isolation and superior comfort, reducing hearing impairment and heat sweat for all-day wearing comfort.

Soft Head Beam Pad: Designed with breathable memory foam pad for incredible durability and comfort, allowing you to enjoy games without noticing the headset.

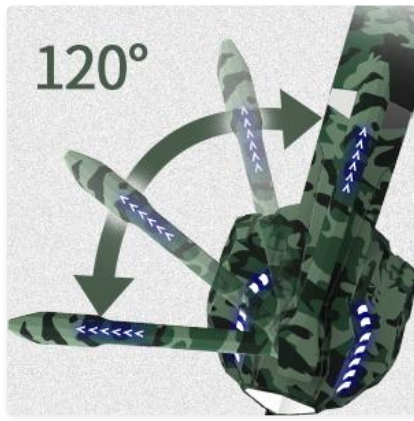

Audio Performance

Bass Surround Sound: High precision drive units deliver crisp, powerful sound that helps you detect enemies through footsteps and gunshots in games.

In-Line Controller: Includes volume wheel and one-key mute for convenient adjustments during gameplay. Compatible with popular games like Call of Duty, Overwatch, and World of Warcraft.

120° Flexible Mic: Noise isolating mic picks up your voice with great sensitivity while blocking background noise for clear communication.
