Product Description

The IPX3-rated wireless gaming headset offers splash resistance against sweat and light rain, making it ideal for intense gaming sessions. Featuring active noise cancellation (ANC) technology, it effectively blocks ambient noise for immersive audio with crisp highs and deep bass.

The adjustable headband and memory foam ear cushions provide exceptional comfort for extended wear, while the flip-up microphone ensures clear team communication. Compatible with Xbox One and other platforms via Bluetooth/USB connection, this headset delivers lag-free performance for competitive gaming, streaming, and everyday multimedia use.
