- Is Wireless: Yes

Product Description

2.4G Headband Bluetooth Gaming Headset PS4 Portable Wireless Gaming Headsets

Product Overview

Engineered for passionate gamers, this wireless headset boasts IPX3 water resistance to withstand intense gaming sessions. Its intelligent noise-cancelling system creates a distraction-free environment, while high-performance drivers produce dynamic sound with deep, resonant bass.

The versatile design works seamlessly with Xbox One and other gaming platforms through both wireless and wired connections. Ultra-soft ear cushions and an adjustable headband provide lasting comfort, complemented by a high-definition microphone that ensures your voice comes through loud and clear.
