Premium Design Features

Adjustable Headband

The adjustable headband fits different head sizes, with lightweight materials that stay comfortable around your ears without overheating. The durable metal frame ensures long-lasting performance for extended gaming sessions.

Skin-friendly Earmuffs

Thickened ear cushions provide superior comfort and passive noise isolation. The over-ear pads reduce hearing impairment and heat

sweat, ensuring comfort even during extended wear.

Soft Head Beam Pad

Designed with breathable memory foam, the comfortable and durable frame allows for immersive gaming, music, and movie experiences without discomfort.

Advanced Audio Technology

Bass Surround Sound

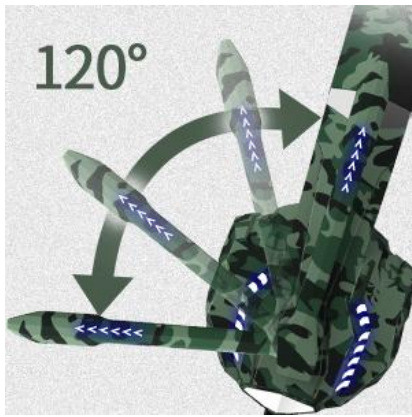

High-precision drive units deliver crisp, powerful sound that enhances gaming experiences. Hear enemy movements clearly with accurate footstep and gunshot reproduction.

In-Line Controller

Convenient in-line control box features a volume wheel and one-key mute for quick adjustments during gameplay. Ideal for popular games like Call of Duty, Overwatch, and World of Warcraft.

120° Flexible Mic

The noise-isolating microphone provides excellent sound pickup with great sensitivity, ensuring clear communication with teammates while maintaining high-quality audio output.

Compatibility

Works with multiple platforms including Windows PCs (32-bit and 64-bit), Xbox One, PlayStation, and mobile devices. Perfect for gaming, professional use, and multimedia applications.
