THX Spatial Audio

Go beyond traditional virtual surround sound. THX Spatial Audio breaks the boundaries of defined 5.1 and 7.1 channel surround to deliver seamless 360° positional audio for a more natural and lifelike experience. It also adds depth by simulating sound both above and beneath you for incredible gaming immersion.

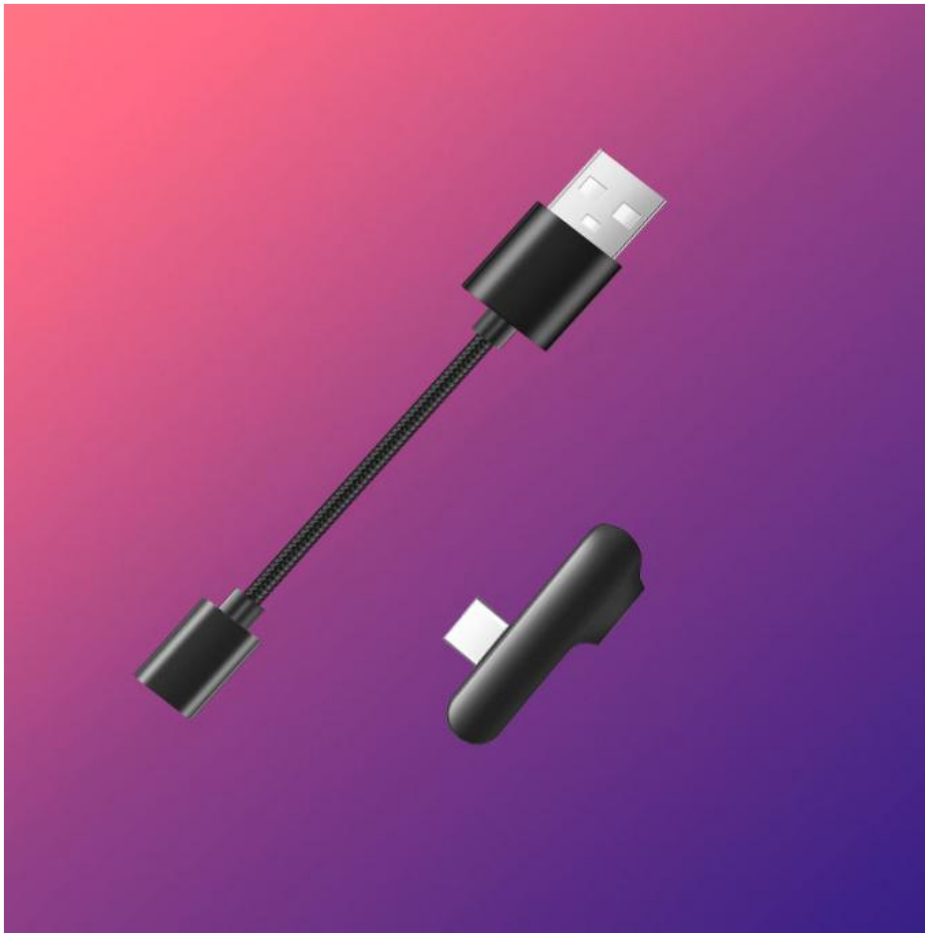

Total Enhanced Comfort

The X6 PRO is one of the most comfortable headsets you will ever don. Its auto-adjusting headband comfortably fits your head while its unibody aluminum frame keeps it lightweight even after hours of wear. Features cooling gel ear cushions for extended comfort.

2.4GHz Wireless Audio

Get lag-free, high-fidelity gaming audio with 2.4GHz wireless technology. A plug-and-play wireless USB transceiver lets you enjoy a wireless range of up to 12 meters smoothly without disconnection. With audio controls directly on the headset, you can adjust volume or mute your mic on the fly.

15-Hour Battery Life

Enjoy up to 15 hours of uninterrupted gaming, streaming or movies. With a battery that just goes on, you can stay immersed in all your favorite entertainment.

Flip Microphone With Quick Mute Function

With a flip microphone featuring passive noise cancellation, your every shout-call is heard with crystal clear clarity. Plus, muting audio is effortlessly simple--just flip the mic up and it's out of the way.

Noise Reduction Microphone

The updated noise isolating mic better picks up your sound with great sensitivity, allowing you to enjoy your favorite songs or movies in high quality voice. Never worry that your partners cannot find you!
