Gaming Combo Set

Gaming Mouse

Programmable gaming mouse with multiple DPI level adjustment and Lightsync RGB technology. Compatible with Windows and Linux

systems.

Gaming Keyboard

104-key standard keyboard with 13 multimedia key combinations, ergonomic design, and perfect backlighting for gaming and office use.

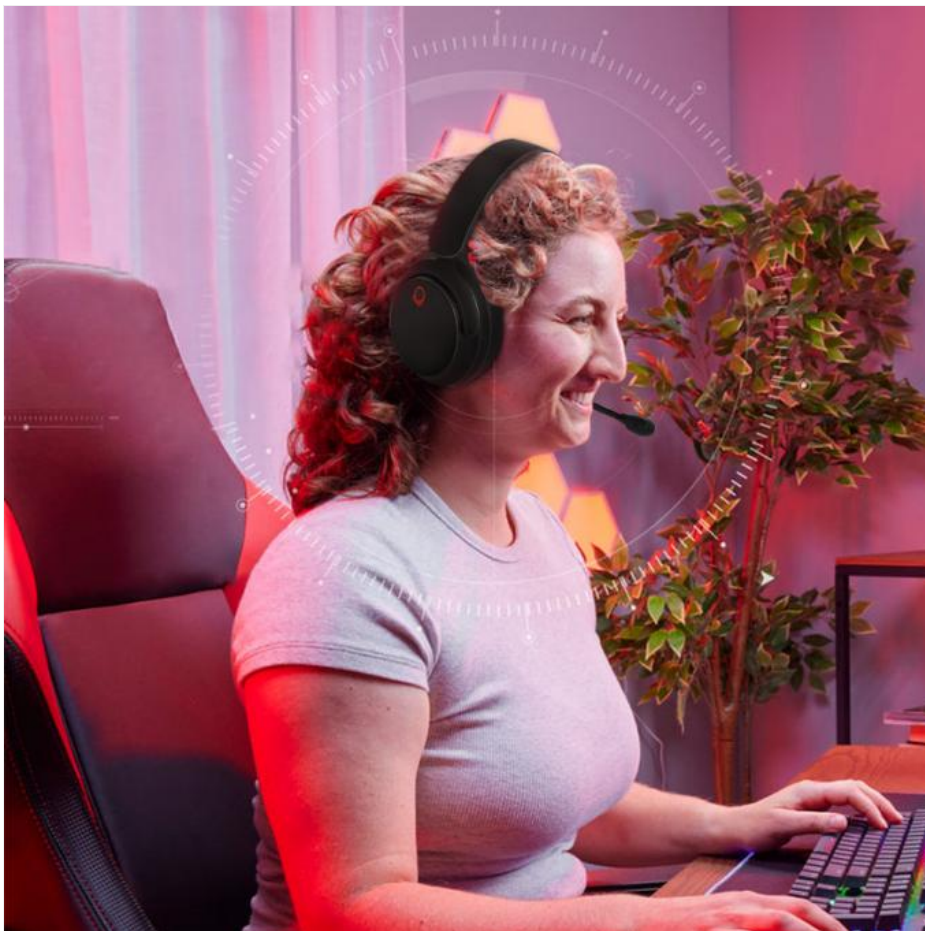

Gaming Mouse Pad

Large MP21 mouse pad with 10 light modes (7 static, 3 dynamic) for smooth and accurate mouse control during gaming sessions.

Audio Technology

THX Spatial Audio delivers seamless 360° positional audio that breaks the boundaries of traditional 5.1/7.1 surround sound for incredible gaming immersion.

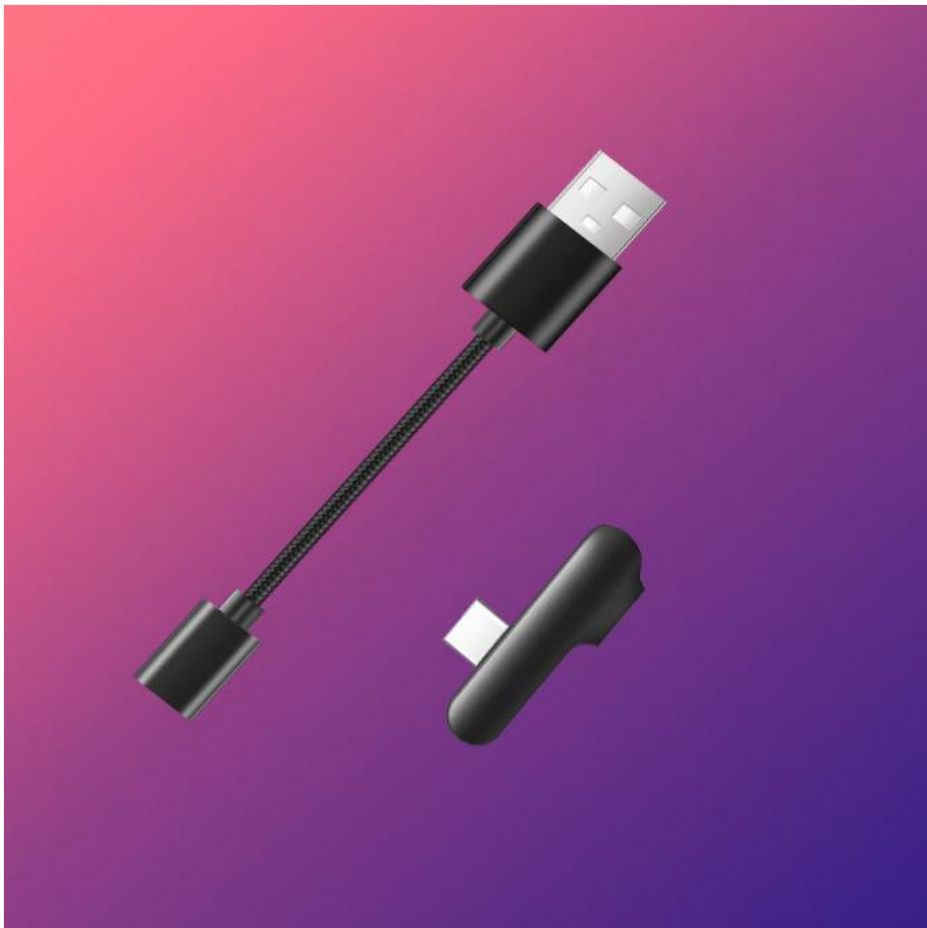

Enhanced Comfort Design

Auto-adjusting headband and unibody aluminum frame provide lightweight comfort even during extended gaming sessions.

Wireless Performance

2.4GHz wireless technology provides lag-free, high-fidelity gaming audio with easy-access controls directly on the headset.
