#### Key Features

#### Adjustable Headband

The adjustable headband fits different head sizes, with lightweight materials that completely surround your ears without overheating. The durable metal frame ensures long-lasting performance for extended gaming sessions.

### Skin-friendly Earmuffs

---

Featuring thickened ear cushions for superior comfort and passive noise isolation. The over-ear pads reduce hearing impairment and heat sweat, ensuring comfort even during extended wear.

### Soft Head Beam Pad

---

Designed with breathable memory foam padding for exceptional comfort and durability. The lightweight design allows for immersive gaming, music, and movie experiences without discomfort.

### Bass Surround Sound

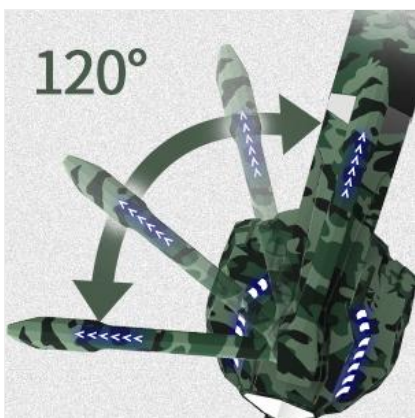

---

High-precision drive units deliver crisp, powerful sound for gaming. Experience enhanced spatial awareness with clear footstep and gunshot audio for competitive advantage.

### In-Line Controller

---

Convenient in-line control box features a volume wheel and one-key mute for quick adjustments during gameplay. Ideal for various games including Halo 5, Call of Duty, Overwatch, and more.

### 120° Flexible Mic

---

The noise-isolating microphone provides excellent sound pickup with great sensitivity, ensuring clear communication with teammates during intense gaming sessions.
